

MAZDA2 HYBRID

FLEET GUIDE

EFFECTIVE FROM 1 JANUARY 2026

THE MAZDA2 HYBRID

Presenting the Mazda2 Hybrid, showcasing self-charging full hybrid technology for outstanding fuel economy and low emissions. Equipped with Electric Vehicle (EV) mode for silent, emission-free driving at low speeds, coupled with a responsive 1.5i petrol engine and automatic transmission.

Featuring combined CO₂ emissions as low as 87g/km and up to 74.3mpg, it's the perfect option for fleet operators focusing on cost control and emissions reduction.

KEY INFORMATION

PERFORMANCE

The Mazda2 Hybrid is tailored for the eco-conscious city driver, offering an exceptional and exhilarating driving experience. Boasting an innovative hybrid powertrain, regenerative braking technology, and a range of advanced features, the Mazda2 Hybrid combines efficiency with driving pleasure—a perfect choice for your fleet.

DESIGN

The Mazda2 Hybrid boasts a modern design language. Sporting the iconic Mazda Signature grille, it radiates confidence on the road. Its dynamic contours give it a fresh and contemporary look, highlighting its agile and spirited character.

SAFETY

5*EURO NCAP rated, the Mazda2 Hybrid prioritises safety with its array of innovative driver-support and assist technologies. Combined with its ultra-rigid bodyshell, Lane Tracing Assist, and Pre-Crash Safety system, it ensures drivers can navigate the roads with utmost confidence.

SPACE

From work essentials to client meetings, the Mazda2 Hybrid adapts to your professional needs. With flexible luggage capacity and a 60:40 split fold down rear seat, it effortlessly accommodates your requirements.

TECHNOLOGY

Stay connected on the road with Mazda's intuitive in-car infotainment system. The central screen offers quick access to vehicle info, settings, and entertainment like DAB Radio. Connect your smartphone via Bluetooth for calls and contacts, and access your favourite apps and navigation through wireless Apple CarPlay® or Android Auto™ all while staying focused on the road.

ENVIRONMENTAL

Experience seamless transitions between electric and petrol power with the Mazda2 Hybrid's intelligent hybrid technology. Benefit from exceptional fuel efficiency and reduced emissions for a more eco-conscious driving experience.
